### About us:

The UTSA-SBDC Technology Center is one of nine programs of the South West Texas Border SBDC Network which is a part of the UTSA Institute for Economic Development. Our Supplier Vendor Network Program provides information to small businesses on contracting and networking opportunities.

The Small Business Development Center (SBDC) is part of a partnership program between the U.S. Small Business Administration, U.S. Economic Development Administration, The University of Texas at San Antonio and the South-West Texas Border Region Small Business Development Center. Funding is provided through EDA Award and an SBA cooperative agreement. Such funding does not constitute an expressed or implied endorsement of any of the co-sponsors' or participants' opinions, conclusions, recommendations, products or services. All SBDC programs are nondiscriminatory and open to the public. For more information call (210) 458-2458.
